Social and Organisational skills and competences

I was erasmus exchange student in 2002 in Finland. Back home I joined the Erasmus Student Network (www.esn.org) first as member then as founder of two new local sections. Therefore, I acquired the right skills to manage an association of young people from all over Europe. I like to work in team, especially in a multicultural environment.

Computer skills and competences

O.S. : Windows 95/98/m.e. /2000(professional/server)/XP(home/professional)/2003 server
